I live in Ottawa with my wife—Katie—and our two children. I manage a software development team and previously ran my own business. I have the management, finance and governance skills to be your Fund Representative.

I have a positive plan to refresh Federal Council and renew its relationship with members, and I have the experience to get the job done.

Members like you have elected me to multiple roles—Young Greens Councillor, Ontario Representative and Party President. I was a GPO candidate twice. Since joining in 2006, I've contributed to local campaigns in 6 provinces.

I'm proud to have earned the support of leaders, elected officials, EDs and Party presidents. I'm thrilled to have the support of young Greens, Leadership contestants, and so many people I have campaigned alongside.

To achieve our potential, we need empowered EDAs, stable governance and a respectful environment.

We need to map each party unit, their roles and responsibilities and define how they interact. We can use it as a base of shared understanding to negotiate service agreements. The goal of these agreements is to balance need with capacity and to turn understanding into expectations.

I want to improve council transparency and participation by enhancing the observer experience. We need a sense of community among Council observers.

Finally, we need to improve our codes of conduct and complaint process to demand respectful treatment.

I'm optimistic; if we communicate more and work better together, our future is bright. Please make me your first choice for Fund Representative.

## Re-elect Kate Storey for an effective Green Party

If I am re-elected as the Fund Representative (Treasurer) of the Green Party of Canada Council, my top priority will be to ensure that Federal Council works cooperatively and transparently, sharing information and finding common ground, the way Green parties are supposed to work. I am endorsed by Elizabeth May who says:

“I endorse Kate Storey for GPC Fund Rep. She has been hard-working and highly principled in her work on council and the GPC Fund. I am inspired by the shared consensus approach of [greensforcouncil.ca](https://greensforcouncil.ca). signed, Elizabeth May”

Here are some of my proposals:

- Support our Electoral District Associations
- Build a Culture of Respect and Integrity
- Celebrate our MP’s work in Parliament
- Learn from the 2019 campaign
- Build strength for the next election.

If you agree, re-elect Kate Storey in the GPC Federal Council election.

## Réélire Kate Storey pour un Parti vert efficace

Si je suis élue Représentante du fonds (trésorière) du Conseil fédéral du Parti vert du Canada (PVC), ma

grande priorité sera de veiller à ce que le Conseil fédéral travaille en collaboration et de manière

transparente, en partageant des informations et en trouvant un terrain d'entente, c'est-à-dire la façon

dont les partis verts sont censés fonctionner. Voici quelques unes de mes propositions :

- Partager l'information avec tous les membres sur le travail que font nos élus verts;
- Célébrer nos associations de circonscription et soutenir leur croissance;
- Bâtir une culture de respect pour nos membres, nos employés et nos bénévoles;
- Apprendre de l'élection 2019 et renforcer nos campagnes locales en vue des prochaines élections.

Si vous êtes d'accord, je vous encourage à voter pour Kate Storey lors de l'élection du Conseil fédéral du PVC.

Vous pouvez trouver plus d'informations sur moi et d'autres candidats qui se sont entendus sur des positions communes à [www.greensforcouncil.ca](http://www.greensforcouncil.ca) et à <https://www.greenparty.ca/en/council/election-2020/candidates/kate-storey>

Votre bulletin de vote vous a été envoyé par courriel le 1er avril. Votre bulletin de vote est venu de [vote@simplyvoting.ca](mailto:vote@simplyvoting.ca) et du Parti vert du Canada. Si vous ne trouvez pas votre bulletin de vote, regardez dans votre dossier de spam, puis contactez [governance@greenparty.ca](mailto:governance@greenparty.ca). Le vote se termine le 1er mai!

Meilleures salutations,

Kate Storey

Candidate au poste de Représentante du fonds au sein de votre Conseil fédéral du PVC
